

REMARKS

This is to acknowledge the Examiner's Amendment, wherein some of the claims were changed from their form as presented in the last-filed Amendment. In this regard, this Preliminary Amendment is submitted with an Accompanying Request for Continued Examination, in order to make minor changes to the claims wherein some of the limitations which had been deleted from the claims have been added back, and where Claim 32 has been added to replace cancelled Claim 21 while changing "polarizing" to "deflecting" in that claim.

Accordingly, it is believed that all of the claims, as now submitted, remain in condition for allowance.

Applicants' undersigned attorney may be reached in our New York Office by telephone at (212) 218-2100. All correspondence should continue to be directed to our address listed below.

Respectfully submitted,

Attorney for Applicants
